v1.1.6-AC (1.9.2) - March 14th, 2019 - Bugfix Update

Xporter for Jira Cloud v.1.1.6-AC was released without new features or bug fixes.

This release was done to inform Atlassian Marketplace that we are currently working on GDPR migration to improve user privacy.

We expect to provide a new version of Xporter for Jira Cloud before 28th March, finishing the GDPR migration.
